Dreams of Milk - Adult Nursing Relationships

I've been putting off this post for a long time, but after writing about why men are breast obsessed, it seemed an opportune time to bring it up. So, today we're going to talk about Adult Nursing Relationships, also known as ANRs, and more specifically, a husband nursing from his wife.

Adult Nursing Relationships - Uncovering Intimacy

Erotic lactation is sexual arousal by breastfeeding on a woman's breast. Depending on the context, the practice can also be referred to as adult suckling, adult nursing, and adult breastfeeding. Practitioners sometimes refer to themselves as being in an adult nursing relationship (ANR). Two persons in an exclusive relationship can be called a nursing couple.

adult breast feeding relationships Posted: 4/4/2013 3:39:29 AM: I agree with you 100% here. I'm just being technical. Obviously, by my handle, you can see this subject is near and dear to me, and I get so annoyed when I read from others that this subject is a fetish, not natural or men acting like babies. I think it's 100% natural.
