Do you want to grow a vegetable garden but aren't sure how to get started? Try one of the free vegetable garden plans from the editors at Better Homes and Gardens; you'll find something for every space and every kind of vegetable gardener, too. If you're a gardener without a lot of space to devote to growing vegetables, try a plan along a deck or patio for convenience and beauty.

Vegetable Garden Plans | Better Homes & Gardens

- Watering Water new trees regularly until they're well established. Mature trees are very drought tolerant but will produce better fruit if watered well.
- Pruning To encourage growth, prune out suckers and low branches during winter, and remove the tips of stems that have grown too long.
- Pests and diseases Keep an eye out for olive lace bugs. . These are native Australian critters ...

How to grow olives | Better Homes and Gardens

Thus, the Conard-Pyle Company, those friendly folks from Pennsylvania who introduced 'Knock Out' rose to America, saw an opportunity. They brought out a new line of roses called Drift. Just like 'Knock Out,' they bloom nonstop and don't need spraying for disease.

A Better Rose Than Knock Out | Southern Living

It's back again this year... Buy May's BBC Gardeners' World Magazine (£4.99, out from Tue 24 Apr until Mon 28 May) and you'll get a card for 2for1 adult entry to 400+ UK gardens, valid until 12 Apr 2019.. Once you've got the card, simply turn up at any of the gardens listed. You can use it as many times as you like, but even if you visited just one garden costing more than £4.99 - which ...

Few flowers look as good in a pot as these do. They blend handsome foliage with large clusters of showstopping blossoms in colors of red, pink, rose, salmon, orange, lavender, violet, or white. Although many people use geraniums as bedding plants, we think they perform even better in containers.. Two Main Plants

Plant Geraniums in Containers - Southern Living

Frank H. Presby (1857-1924) was a leading citizen of Montclair and an iris hybridizer, collector, and founder of the American Iris Society. It was his expressed wish to give a collection of his favorite flower to Montclair's newly acquired Mountainside Park, however he passed away in 1924 before he could carry out his plan.

How to Identify Rabbits in your Garden. Of the nine species of North American cottontail rabbits, it's the eastern cottontail (*Sylvilagus floridanus*) that is our most abundant and annoying. Ranging from Boston to Boulder and south into Mexico, this bunny-about-town is rarely found in forests; preferring instead brushy fence rows, field edges, brush piles, and—you guessed it—landscaped ...
