What you can do Find out more about alcohol and the effects on the family. Understanding how alcohol affects the person drinking and everyone else in the family can help you make some sense of the chaos that often exists when a parent has a drink problem.

Nacoa | The National Association for Children of ...

Alcoholism, also known as alcohol use disorder (AUD), is a broad term for any drinking of alcohol that results in mental or physical health problems. The disorder was previously divided into two types: alcohol abuse and alcohol dependence. In a medical context, alcoholism is said to exist when two or more of the following conditions are present: a person drinks large amounts of alcohol over a
