First Amendment Law In A

First Amendment: An Overview The First Amendment of the United States Constitution protects the right to freedom of religion and freedom of expression from government interference. It prohibits any laws that establish a national religion, impede the free exercise of religion, abridge the freedom of speech, infringe upon the freedom of the press, interfere with the right to peaceably assemble ...

Free Speech Lawyers & First Amendment Attorneys

An accurate recounting of history is necessary to appreciate the need for disestablishment and a separation between church and state. The religiosity of the generation that framed the Constitution and the Bill of Rights (of which the First Amendment is the first as a result of historical accident, not the preference for religious liberty over any other right) has been overstated.
