Torres is one of my favorite professors. Hes super caring about his students, and knows how to make a lecture enjoyable! If you ever need a Law/CJ class take him. P.S. Read up on 4th and 5th amendments , read the textbook when he emphasizes on it, and take EXCELLENT notes + use old exams to study for future ones, questions can be tricky on tests.

Nelson Torres-Rios at Hostos Community College ...

I never even used the textbook. Everything you need to know for the tests are in his notes. He posts the notes slides online, so don't worry about writing down whats on the slides, write down what he says.

BHS BIOLOGY - Brookings School District

The role of mathematics vocabulary in mathematics has received increasing attention in recent years. Most prior relevant research focused on students in preschool and early elementary grades in the United States and often considered mathematics vocabulary as a single construct in relation to one mathematics outcome.

The relation between mathematics vocabulary and ...

In school there are many books and stories of various genre that we will be reading. However, when you are at home, cozy in your favorite chair or outside under a tree on a beautiful day....what are you reading?
