### **Nurses Jokes Quotes And Anecdotes**

Being a nurse is one of the hardest things in the world. Too often nurses become burned out because they feel like they just give and give without every getting anything in return. Many nurses find that nurse prayers can offer just what they need to keep on going. But some nurses don't pray. For those nurses, these nurse quotes may help you feel inspired to face another day!

Now that our review for Academic Emergency Medicine has been published, I wanted to devote a few words to a discussion that didn't make it into the article.. We spent a lot of time trying to collate what's known about one specific phenomenon: the blunt trauma patient with an "unstable" acute injury to his spine who suffers sudden neurological deterioration as a result of ordinary ...

By Kristin Edwards (@KristinMDCT) I've been attending the Annual Assembly of Hospice and Palliative Care (AAHPM/HPNA) for nearly a decade, but this is the first year I presented a concurrent session. As I return to work, the glow from my 15 minutes of Friday morning fame fading away, I wanted to share a few thoughts for those who, might feel intimidated about submitting an abstract.

THIS SUBREDDIT IS FOR MEDICAL PROFESSIONALS. We like to think of /r/medicine as a lounge where medical professionals can talk about the latest advances, controversies, ask questions of each other, have a laugh, or share a difficult moment. Although primarily aimed at physicians, we encourage other healthcare professionals to contribute.
