The item *Obesity Interventions in Underserved Communities : Evidence and Directions* represents a specific, individual, material embodiment of a distinct intellectual or artistic creation found in Multnomah County Library.

### **Obesity Interventions in Underserved Communities ...**

In their introductory chapter, the editors importantly critique the commonly held belief that obesity is simply caused by people making poor health choices. Rather, they frame obesity as a social justice issue, based on evidence that obesity is profoundly influenced by historical, political, economic and environmental factors.
