

Question To Ask During Job Interview

Question To Ask During Job

A question is an utterance which typically functions as a request for information. Questions can thus be understood as a kind of illocutionary act in the field of pragmatics or as special kinds of propositions in frameworks of formal semantics such as alternative semantics or inquisitive semantics. The information requested is expected to be provided in the form of an answer.

Question - Wikipedia

It's one thing to prepare questions to ask at the end of your interview. You want to look thoughtful; you want to show that you've listened; and you may have a few burning questions about the way things are done around there.. But it's a completely different story when you have a question before the interview even begins.
