

Religious Politics In India

Religious Politics In India

Religious violence in India includes acts of violence by followers of one religious group against followers and institutions of another religious group, often in the form of rioting. Religious violence in India has generally involved Hindus and Muslims. According to Pew Research Center, currently India is 4th in religious violence, majority of which directed at Muslims by right-wing Hindu ...

The bombings of three churches in Sri Lanka highlighted the growing vulnerability of religious minorities across Asia, from Christians in Hindu-majority India to Muslims in Buddhist-majority Myanmar.

Religious Minorities Across Asia Suffer Amid Surge in ...

The politics of India takes place within the framework of the country's constitution. India is a federal parliamentary democratic republic in which the President of India is the head of state and the Prime Minister of India is the head of government. India follows the dual polity system, i.e. a double government (federal in nature) that consists of the central authority at the centre and states ...
