

Risk The Board Game Strategies

Risk The Board Game Strategies

Risk is a strategy board game of diplomacy, conflict and conquest for two to six players. The standard version is played on a board depicting a political map of Earth, divided into forty-two territories, which are grouped into six continents. Turn rotates among players who control armies of playing pieces with which they attempt to capture territories from other players, with results ...

Board Games, Family Games, and Kids Games - Hasbro Games

A board game is a tabletop game that involves counters or pieces moved or placed on a pre-marked surface or "board", according to a set of rules. Some games are based on pure strategy, but many contain an element of chance; and some are purely chance, with no element of skill.. Games usually have a goal that a player aims to achieve. Early board games represented a battle between two armies ...

Battleship is a war-themed board game for two players in which the opponents try to guess the location of the other's various ships. A paper and pencil version of the game dates back to World War I, but most people are familiar with the game through the plastic board game that was first marketed by the Milton Bradley Company in 1967. Since then, the game has spawned various video games and ...
