

S Is For South Africa World Alphabets

S Is For South Africa

South Africa, officially the Republic of South Africa (RSA), is the southernmost country in Africa.

South Africa - Wikipedia

South Africa's remoteness—it lies thousands of miles distant from major African cities such as Lagos and Cairo and more than 6,000 miles (10,000 km) away from most of Europe, North America, and eastern Asia, where its major trading partners are located—helped reinforce the official system of apartheid for a large part of the 20th century.
