Weird West is a subgenre that combines elements of the Western with another genre, usually horror, occult, fantasy, or science fiction.. DC's Weird Western Tales appeared in the early 1970s and the weird Western was further popularized by Joe R. Lansdale who is perhaps best known for his tales of the 'weird west,' a genre mixing splatterpunk with alternate history Western.

Western comics is a comics genre usually depicting the American Old West frontier (usually anywhere west of the Mississippi River) and typically set during the late nineteenth century. The term is generally associated with an American comic books genre published from the late 1940s through the 1950s (though the genre had continuing popularity in Europe, and persists in limited form in American ...
