The Certified Information Systems Security Professional (CISSP) is an information security certification that was developed by the International InformationSystems Security Certification Consortium, also known as (ISC)².

CISSP Certified Information Systems Security Professional

Storytelling is a means for sharing and interpreting experiences. Peter L. Berger says human life is narratively rooted, humans construct their lives and shape their world into homes in terms of these groundings and memories. Stories are universal in that they can bridge cultural, linguistic and age-related divides.
