Just some last minute advice: You need to pair up with somebody doing the PACES. You will be compromised if you study alone. See patients (either organised teaching or going around yourselves) on the wards at least 2-3 times/ week and meet up regularly in the evenings or weekends to blast questions at one another.

Conducting is the art of directing a musical performance, such as an orchestral or choral concert. It has been defined as "the art of directing the simultaneous performance of several players or singers by the use of gesture." The primary duties of the conductor are to interpret the score in a way which reflects the specific indications in that score, set the tempo, ensure correct entries by ...
