Scrapheap Challenge is a British television show where teams of contestants build a working machine that could do a specific task, using materials available in a scrapheap. The series features teams of four or five given ten hours (based around sunset) to build vehicles, or machines to complete a specific task, such as being a trebuchet, or complete a racecourse whilst acting as a gyroscope.

2018 marks a new era for the CIK-FIA karting championships with the introduction of RGMMC as promoter. The main priority for RGMMC, working together with the FIA, is to promote karting to a wider audience and attract a strong fan base, and one of the first key tasks was to redesign the championships' brand image.
