Shane Patrick Boyle died on March 18th, 2017, from Type I Diabetes. Not from late-in-life complications from the disease, or from some unexpected situation—Boyle died because he was \$50 short of reaching his \$750 GoFundMe goal to pay for a month's supply of insulin, the drug necessary to keep diabetics alive.

The High Price of Insulin Is Literally Killing People - Tonic

Reprinted with permission from AlterNet. A 38-year-old second-grade teacher and mom in Texas died of the flu this week after she'd delayed picking up her prescription medication because couldn't afford the \$116 copay. By Friday night, Heather Holland's condition had worsened and she was taken ...

Americans Are Dying Because They Can't Afford Medicine

The Journal of Pain and Symptom Management is an international, peer-reviewed journal and is the leading forum for publication of new research and clinical information related to palliative care and

pain management. It is the Official Journal of the American Academy of Hospice and Palliative Medicine and the National Hospice and Palliative Care Organization.

The newspaper industry has always been cyclical, and the industry has weathered previous troughs. Television's arrival in the 1950s began the decline of newspapers as most people's source of daily news. But the explosion of the Internet in the 1990s increased the range of media choices available to the average reader while further cutting into newspapers' dominance as the source of news.

Decline of newspapers - Wikipedia

The points laid out here are spot on for not only helping a dying business but also provide a good checklist for any healthy business. If all these items are re-visited, re-evaluated and re-worked on a regular basis, the business will thrive.
