The TypeLab at Typographics 2018 will host a series of hands-on workshops, demos, interviews, and experiments, June 14-17. Keeping with its alternative roots , the TypeLab is a space for informal events to complement the main schedule of the Typographics conference - like a multi-day

typographic hackathon.

Typographics 2018 - TypeLab

Typography is, in essence, the art and technique of arranging type. It's central to the skills of a designer and is about much more than making the words legible. Your choice of typeface and how you it works with your layout, grid, colour scheme and so on will make the difference between a good, bad ...
