### **EatFirst - Gourmet Meals. Chef-Cooked and Delivered.**

"Camera eats first" is the behavior and global phenomenon of people taking photos of their meals with digital or smartphone cameras before they eat, mostly followed by uploading the photos to the social media. The term refers to how people "feed" their cameras first by taking photos of their food before feeding themselves.

i never knew dat much thought go into sittin down to dinner... But umm growing up, it was always the children get shared the food first because the adults had to dip it out for them.. and the adults go dip out what they want out the pot.. it was never no pecking order or hierachy... if you grown and able to get your own food then go to the pot and get it..

"First let the children eat all they want," he told her, "for it is not right to take the children's bread and toss it to the dogs." New Living Translation Jesus told her, "First I should feed the children—my own family, the Jews. It isn't right to take food from the children and throw it to the dogs." English Standard Version

### **Mark 7:27 "First let the children have their fill," He ...**

It doesn't make any sense to me to let the adults eat first. Then you have a buncha whiny kids wandering around asking if it's their turn to eat yet. It's easier to feed the little ones first and then once they are satiated, the adults can enjoy their own meals.
